

Ovation—text to speech

- > easy-to-use, compact scanning and reading machine
- > no computer skills needed
- > large buttons for easy fast-forward and rewind options
- > name documents in your voice
- > store up to 500,000 pages of text

Access to printed information just got easier than ever before. With the Ovation, you can accurately and easily scan and store text of any kind and convert it to speech output. The sleek light-weight design and professional carrying case (sold separately) make it easy to transport, so you can access information in a variety of settings. The flatbed-scanner accommodates newspapers, books, magazines and more.

The Ovation has many sophisticated, yet easy-to-use features to access the information you want without wasting time:

- > Adjustable volume, speed, and voice tone make audio playback truly personal.
- > Easily move through your document by page, paragraph or sentence.
- > Store “chapters” of up to 20 pages each with a name you give it in your own voice.

Features > Ovation

Reading with Ovation > Using the Ovation is easy! Just place printed material on the scanner bed and push one button to begin the scan. The Ovation provides audio cues to signal the beginning and end of a successful scan. If you want to save your documents use the save command and speak a title into the built in microphone.

Easy to Use Controls:

- > On/Off
- > Volume
- > Speed
- > Scan
- > Pause
- > Move Back
- > Move Forward
- > Stop

Adjustable Features > The Ovation is easy to adjust and customize so it meets your needs. The different reading options allow you to pick a voice and a speed that is right for you.

Reading Speed > 50-300 words per minute, you decide.

Reading Voice > Choose from male and female voices in different pitches.

Reading Material > Save documents so you can read at your own pace. Use the easy controls to move forward and backward throughout your materials, and place bookmarks—just like reading a book.

Money-back Guarantee > The Ovation is backed by a 30 day money-back guarantee (less shipping) and a one year manufacturer's limited warranty against defects in material and workmanship.

Information and Sales > Representatives are available Monday through Friday from 7 am to 4 pm PST to answer questions and take your orders.
